# The NETWORKING ZONE is jointly run by the following networks and associations:

www.spritzenautomaten.de

## EVENTS

**12:00 – 13:00**

### Joint opening of the networking zone

We are opening our networking zone - Together for Diversity, Justice and Health - with a small celebration and are looking forward to a unique week together.

**14:00 – 14:45**

### Playback Theater, GRUND

In this interactive theater people from the audience tell their stories which are developed into scenes and performed live.

**15:00 – 15:45**

### Your health, your faith

Presentation of an innovative prevention project in churches to foster solidarity with people living with HIV.

**16:00 – 16:45**

### Quiz AGHNiD

Quiz on healthcare for all - African Health and HIV Network in Germany

**17:00 – 17:45**

### Opening of the Global Village on the main stage

## ACTIVITIES

**13:00 – 14:00**

### Create your own personalised conference bag

You have the opportunity to create your own conference bag. Material is available, now we need your ideas.

**14:00 – 16:00**

### „ Let's create the Body Maps“

A creative form of personal storytelling based on drawing using colors, shapes and symbols to express and memorize lived experiences and feeling.

**16:00 – 17:00**

### „ dHIVersity Impro-Theater“

Performance of improv theatre with the title: Let' bring our life stories to the stage

## EVENTS

**11:00 – 11:45**

### **Let`s talk about sex**

How would you talk about sex with your doctor/patient? In this workshop format you can try out different approaches and find your unique way to talk about sex in a doctors office.

**12:00 – 12:45**

### **Buddy.hiv stellt sich vor**

The community-based project will present short exercises from their training, share experiences and go into an exchange with the audience.

**13:00 – 13:45**

### **PozQoL: Valuing the quality of life of people living with HIV**

Prof. Graham Brown is presenting a tool to measure quality of life developed by and for people living with HIV. It is designed for use in communities, with peers and in clinics.

**14:00 – 14:45**

### **Eyes on Ukraine, Round table PlusUkrDe**

Presentation of successful initiatives and projects for and by Ukrainians with HIV in Germany and the EU

**15:00 – 15:45**

### **Playback Theater, GRUND**

In this interactive theater people from the audience tell their stories which are developed into scenes and performed live.

**16:00 – 16:45**

### **Power of peers - Prof. Graham Brown**

Peer-led organisations play a central role in improving community health and rights. Their effectiveness stems from influence in communities, health systems, and policy. Despite this, evaluations of peer work often focus on individual-level change and not system-level impacts and synergies. Discussion about ways to evaluate and demonstrate our own work.

**From 19:00**

### **Eveningprogram in Munich**

On this evening, the members of AktHIV.de will be behind the bar at SUB to spend a wonderful evening with you. AktHIV.de is a national network of local HIV self help groups and activists. Let's Connect!

AktHIV.de - Worldclub,  
Adress: Sub  
Müllerstr. 14  
80469 München

## ACTIVITIES
