

TATTOOS

PIERCINGS

MAKE SURE THE WORK
IS CLEAN, SO THINGS
DON'T GET DIRTY FOR YOU

**MAKE SURE THE WORK IS CLEAN,
SO THINGS DON'T GET DIRTY FOR YOU**

- Piercing and tattooing is not for amateurs!
 - They can lead to serious infections, or even transmit HIV and hepatitis.
 - That's why you should always go to an experienced professional. They will work to proper hygiene standards, using sterile equipment.
